**Photography Club-** Jan 15-Feb 19th, basic photo skills, editing pictures, and photobooks Grades 3-7.

**Nerf Club-** Children will be separated into teams and battle each other with NERF dart guns and set up their bases! If you have a NERF gun, please don't hesitate to bring it. Grade 1-6. Jan 15-Feb 19.

**Lego Robotics-** Make your LEGO creation come to life on the computer using special software. Grades 1-7. Jan 15-Feb 19.

**Family Game Night-** Quality family time, laughs, and of course games! Games will be provided, you just come in and take your pick. Jan 15-Feb 19.

**Dodgeball-** Duck, dive, and dodge in this fun class. Grades 2-6. Jan 16-Feb 20.

**STEM to Story-** Aligned with common core and science, this fun STEM class will make you think and use your story skills to create. Grades 4-7. Jan 16-Feb 20.

**Drawing Club-** Different projects each week based around your child's love of drawing. Grades 1-6. Jan 16-Feb 20.

**Jr. Chefs-** Fun and tasty cooking recipes will be dished out weekly and children will be hands on creating their culinary masterpieces. Grades 1-6. Jan 16-Feb 20.

**Lego Club-** If you love LEGOs, this class is for you! Let your mind run wild as you create whatever you can dream up. Grades K-6. Jan 17-Feb 21.

**Mad Scientist-** New science experiments, science lessons, and hands on fun! Creations include slime, ice cream in a bag, and more! Grades 1-6. Jan 17-Feb 21.

**Sportswall Sports-** The possibilities are endless with the sportswalls! Tennis, basketball, and relay races to name a few activities. Grades 1-6. Jan 18-Feb 22.

**Sports Sampler-** This is for the sports enthusiast! A different sport each week will be played from hockey to football and in between. Grades 1-6. Jan 18-Feb 22.

**Arts Alive!-** Arts projects from different time periods along with different techniques and styles of art. Grades 1-6. Jan 18-Feb 22.

**Kickball-** Join us Saturday mornings for our next installment of Saturday morning sports! Run the bases and learn the basics of kickball! Ages 3-6. Jan 6-Jan 27.

**Indoor Soccer-** Saturday mornings starting Feb. 10th for 8 weeks, learn the basics of soccer and play games. Ages 3-12.

**Pickleball!**

M, W, F, 8:30-10:00am

Monday Nights  
6:30-9:00pm

**LIVE UNITED** 

**HAVE YOUR BIRTHDAY  
PARTY HERE!**

## **7th Grade Initiative**

**Sunday's 1:00-2:00pm**

**Wednesday's 6:00-7:30pm**

**Inflatables will be up for use!**

Through the generous support of local funders, the YMCA is able to offer additional programming specifically for the 7<sup>th</sup> graders.

Youth will have the opportunity to complete Jr. Lifeguarding and Babysitting certifications (which includes CPR & First Aid)– teaching some critically important life skills. In addition, they get use of the pool inflatables on Sunday's and Wednesday night.

Students are welcome to register for this program anytime during their 7<sup>th</sup> grade year. Interested youth can contact the YMCA at (570) 282-2210 for more information or stop by the YMCA for an application.

**All parties come with 3 trays of pizza, juice, water and paper products.**

**(You are welcome bring any additional refreshments you would like.)**

**Pricing is for 20 children.**

**It is \$5 for every child over 20.**
