INVESTING IN OUR KIDS, OUR HEALTH AND OUR NEIGHBORS

At the Y, strengthening community is our cause. Strong communities don't just happen, they're the result of steady leadership and stewardship of strong values. That's the Y. We make a difference by focusing on three key areas: youth development, healthy living and social responsibility.

YOUTH DEVELOPMENT

Nurturing the potential of every child and teen

The YMCA is the premier provider of child care and preschool in the Upper Valley. We are also a leader in afterschool programs and summer day camp. The organization is known for its youth athletics such as swim lessons, soccer, basketball, dodgeball, and more. In addition, the Y offers nonathletic programs like Arts in Action, Jr. Chef, Sewing School, LEGO Robotics, and music. Youth have the opportunity for a free membership through the 7th Grade Initiative & can make a difference in the community with the Teen Leaders Club & Youth Board.

HEALTHY LIVING

Improving the nation's health and well-being

The Y boasts state of the art fitness equipment and the adult wellness programs are award winning. The YMCA offers the latest in group exercise and functional fitness training. The YMCA staffs a full time nurse and many programs focus on at-risk individuals including cardiac & pulmonary disorders, heart screenings, arthritis, diabetes prevention/maintenance, cancer survivors, and special needs populations.

SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors

At the Y, strengthening community is our cause. Every day, we work side by side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.
